

Declaration of USA Proposition 65 Compliance

Dear customer,

Hereby Ventec confirms that our products do not contain any substances restricted by the restriction of Hazardous Substance directive of USA Proposition 65 prohibits the use of the following substances items on the list:

The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals or endpoints shown in strikeout were placed on the Proposition 65 list on the date noted, and have subsequently been removed.

If you have any questions, please contact our local representative.

STATE OF CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986

PROPOSITION 65 LIST OF CARCINOGENS OR REPRODUCTIVE TOXICANTS January 3, 2025

The Safe Drinking Water and Toxic Enforcement Act of 1986 (Health and Safety Code section 25249.5 et seq.), also known as Proposition 65, requires that the Governor revise and republish at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity within the meaning of the Act (Health and Safety Code section 25249.8). The list is published in Title 27, California Code of Regulations, section 27001, is provided here, and is available on the website of the Office of Environmental Health Hazard Assessment (oehha.ca.gov).

The identification number indicated in the list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing or when a CAS number is not available. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals or endpoints shown in strikeout were placed on the list on the date noted, and have subsequently been removed.

<u>Chemical</u>	Type of Toxicity	<u>CAS No.</u>	Date Listed
A-alpha-C (2-Amino-9H-pyrido [2,3- b]indole)	Cancer	26148-68-5	January 1, 1990
