

22nd June 2025

For Immediate Release

Subject: Continuation of Supply and Support PSR-4000 GP01EU, DG, DI Series

In response to rumors in the European market:

Taiyo America, Inc. can confirm that there are no plans to withdraw or initiate end-of-life (EOL) planning for the PSR-4000 GP01EU series. Taiyo America, Inc.'s solder mask PSR-4000 GP01EU series remains an industry leading product in Europe.

Furthermore, Taiyo America, Inc. continues to develop this line of solder mask products. The company has introduced and supported the full color range, all of which are now available as DI versions.

The PSR-4000 GP01EU series complies with the latest REACH Annex XV edition as it relates to ECHA SVHC listings. There are no current restrictions on the importation or use of this product in Europe.

Interested parties can follow the progress of any new edition proposal through the SVHC identification process on the ECHA website: <https://echa.europa.eu/home>

Lastly, Taiyo America Inc. offers I-907 and melamine-free solder mask options for screen, spray, and curtain coating applications through our PSR-4000 HH01XR and PSR-4000 CC01SE series of solder masks for customers who require them.

Thank you for your continued partnership.

Sincerely,

Stuart Down
