

GI29

ST Type Medium Size Drill

Design Feature

Drill type: ST type, double edge double flute

Balanced designed drills, widely used in multiple PCB drilling

Application

Suitable for various type of PCB

Benefit

Reduce the occurrence of copper burrs when drilling medium size holes

Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]
