

H131

ST Type Large Size Drill

Design Feature

Drill diameter is larger than shank diameter

Application

Suitable for various types of PCB

Benefit

Low friction and cutting heat, lower burrs generation and good wall quality

Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]	Dia. [mm]	Flute Length [mm]

*Able to add lubricated coating, wear resistant coating and diamond coating

*Normal specification is shown in the table, please ask sales for customized specification
