Key responsibilities

- Promote, sell, and close business for all Ventec product lines with significant focus on key OEM accounts and PCB manufacturing customers.
- Track projects and submit monthly updates to management.
- Support and utilize technical support team when needed to close more business.
- Execute and use value and solution selling tools and approach to win more business.
- Coordinate cross functional resources when applicable.
- Assist in coordination and set-up of relevant trade show events.
- Assist in strategic planning initiatives.
- Assist in market and customer intelligence gathering.
- Recommend pricing strategies.
- Participate in territory revenue forecasting events.

Job requirements

- Entrepreneurial spirit, positive high energy and desire to win.
- Proactive and self-motivated work strategy to develop and win business for all business units.
- Able and willing to travel as needed domestically and globally.
- Excellent written and oral communication skills in English (additional languages a plus).
- Excellent computer skills (Microsoft Office, especially Excel).
- Possess good sales acumen.
- Proven ability to work well and thrive in a team environment.
- Proven track record securing new business at OEM accounts.
